PERFORMANCE CORNER® AUTO PARTS LIMITED WARRANTY

With the **Performance Corner®** certificate of warranty, **Performance Corner®** agrees to continue the manufacturer's warranty of properly registered products to the original consumer for up to 5 years or 50,000 miles from the original purchase, whichever comes first.

Performance Corner® warrants the specified products (PRODUCT) we sell to be free from defects in material and workmanship under proper use and maintenance. The manufacturer guidelines as to whether warranty coverage is appropriate are FINAL in any disputes of warranty coverage.

If **Performance Corner®** finds the PRODUCT to be defective in materials or workmanship, and the PRODUCT is covered by and registered under this warranty, **Performance Corner®** will replace the defective PRODUCT or component with a PRODUCT of same or similar quality. **Performance Corner®** reserves the right to refund the original purchase price if a suitable replacement is no longer available. **Performance Corner®** warrants the PRODUCT only against defects. This warranty is limited to the PRODUCT replacement or service parts; **Performance Corner®** will not be liable for any labor costs applicable to the replacement of the PRODUCT.

This warranty does not apply to any PRODUCT used for racing or competition, to off-road damage, to damages occurring due to accidents, or to other physical

damage not caused by product failure. It does not cover normal wear or degradation due to weathering or other environmental factors. You will not be entitled to warranty coverage if the part has been disassembled or damaged by improper installation, misuse, neglect, fire, wreckage, or explosion.

All warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose, are limited to the duration of this warranty; neither warrantor nor manufacturer shall be liable for any incidental or consequential damages resulting from defects in the part. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

For warranty claims, present the original warranty certificate to the **Performance Corner®** store nearest you. If you have questions about this warranty, you may call (888) 251-4252 Monday to Friday, 8 a.m. to 5 p.m. ET.

WHAT YOU MUST DO TO OBTAIN WARRANTY SERVICE

You must keep and present a copy of the original invoice and warranty document to obtain warranty processing. Products that have not been registered in the 5/50 Warranty program at time of sale are not eligible for warranty coverage. Present the warranty document to the Performance Corner® store at which you purchased your product for warranty service.

If you are no longer near the Performance Corner® store at which the product was purchased, or there are no participating locations in your area, you may contact the Warranty Administrator at (888) 251-4252. The Warranty Administrator may direct you to another Performance Corner® store or ship replacement service parts or product directly to you.
